County announces changes in Standard Operating Procedures (SOPs) for the Department of Parks and Recreation

The County of Kaua'i announces the following changes in Standard Operating Procedures (SOPs) for the Wailua Golf Course in order to provide for the health, safety, and welfare of the people of Kaua'i from the potential spread of the novel coronavirus (COVID-19).

Effective Monday, June 22, KGA Club play will be allowed. Pairings must be submitted to the golf course registration office by noon the day before via email doprgolf@kauai.gov, fax 241-6672, or hand-delivered to the office. Failure to do so will result in the forfeiture of the club's tee times.

Additionally, tee times will now be limited to 6-minute intervals and motorized golf carts may be used by two players. However, face masks must be worn in the golf cart if the two players do not live in the same household. Face masks are not required in the golf cart if the two players live in the same household; picture IDs will be needed for verification.

To view a copy of the emergency proclamation, visit the County of Kaua'i's website at www.kauai.gov/KEMA. Detailed procedures will be available online at www.kauai.gov/golf and at the golf course.
